

SCAM ALERT

Dear Valued Customer:

We have recently become aware of a phishing scam targeting online/mobile banking users. Please avoid clicking on any suspicious links or sharing personal information and report any suspicious activity to our customer support at **767-255-2300**.

To ensure your safety, please take note of the following:

Stay Alert: Be cautious of unexpected emails or alerts that ask for personal information or contain suspicious links.

Verify the URL: Always check the website's URL before entering your login credentials. Our corporate website URL is **<https://nbdominica.com>**.

Avoid Sharing Personal Information: Your bank will never ask for sensitive information like passwords, PINs, or personal identification numbers via email or online banking alerts.

Phishing Reporting: If you suspect a phishing attempt, report it immediately to our customer support at **767-255-2300** or forward the email/alert to **fraud_reporting@nbdominica.com**.

Remember that your vigilance plays a crucial role in safeguarding your accounts. We are continuously monitoring for threats, and your partnership in this effort is highly appreciated.

Your safety is our priority. Stay vigilant, stay secure.
